Why would he hang himself from a fucking tree??

The discovery of a 24-year-old Black man hanging from a tree near Palmdale City Hall this week has sparked alarm in the Antelope Valley as investigators try to determine whether his death was caused by suicide or if foul play was involved.

A passerby spotted the man's body at 3:39 a.m. Wednesday in the 38300 block of 9th Street East, according to authorities. Emergency personnel responded and determined that the man — identified as Robert Fuller — was dead, authorities said.
